WOMEN'S SQUASH WEEK SPURS RECORD PARTICIPATION

More than one thousand and five hundred women across the United States, Canada, England, Bermuda, and Barbados took to the squash courts to participate in the fourth annual Women's Squash Week, September 19-27. The week originated from a women's squash week held in New York City, and is picking up traction throughout U.S. and international squash

communities, exceeding previous participation and number of events with every year. The events often include social aspects in addition to the fun on court, with local flavor for each event. This issue, *Squash Magazine* takes a look at dispatches from some of the Women's Squash Week events around the United States". Perhaps next year this map will be of the entire globe.

PORTLAND had a wonderful turnout at the Multnomah Athletic club

SANTA CLARA
On Sunday September 20, Bay Club Santa Clara hosted a squash practice / round-robin event as a show of support for the 2015 Women's Squash Week campaign. The 20 participants were representative of 6 different Bay Area squash clubs, which included a strong showing of players from San Francisco, who drove almost 50 miles to participate at BCSC.

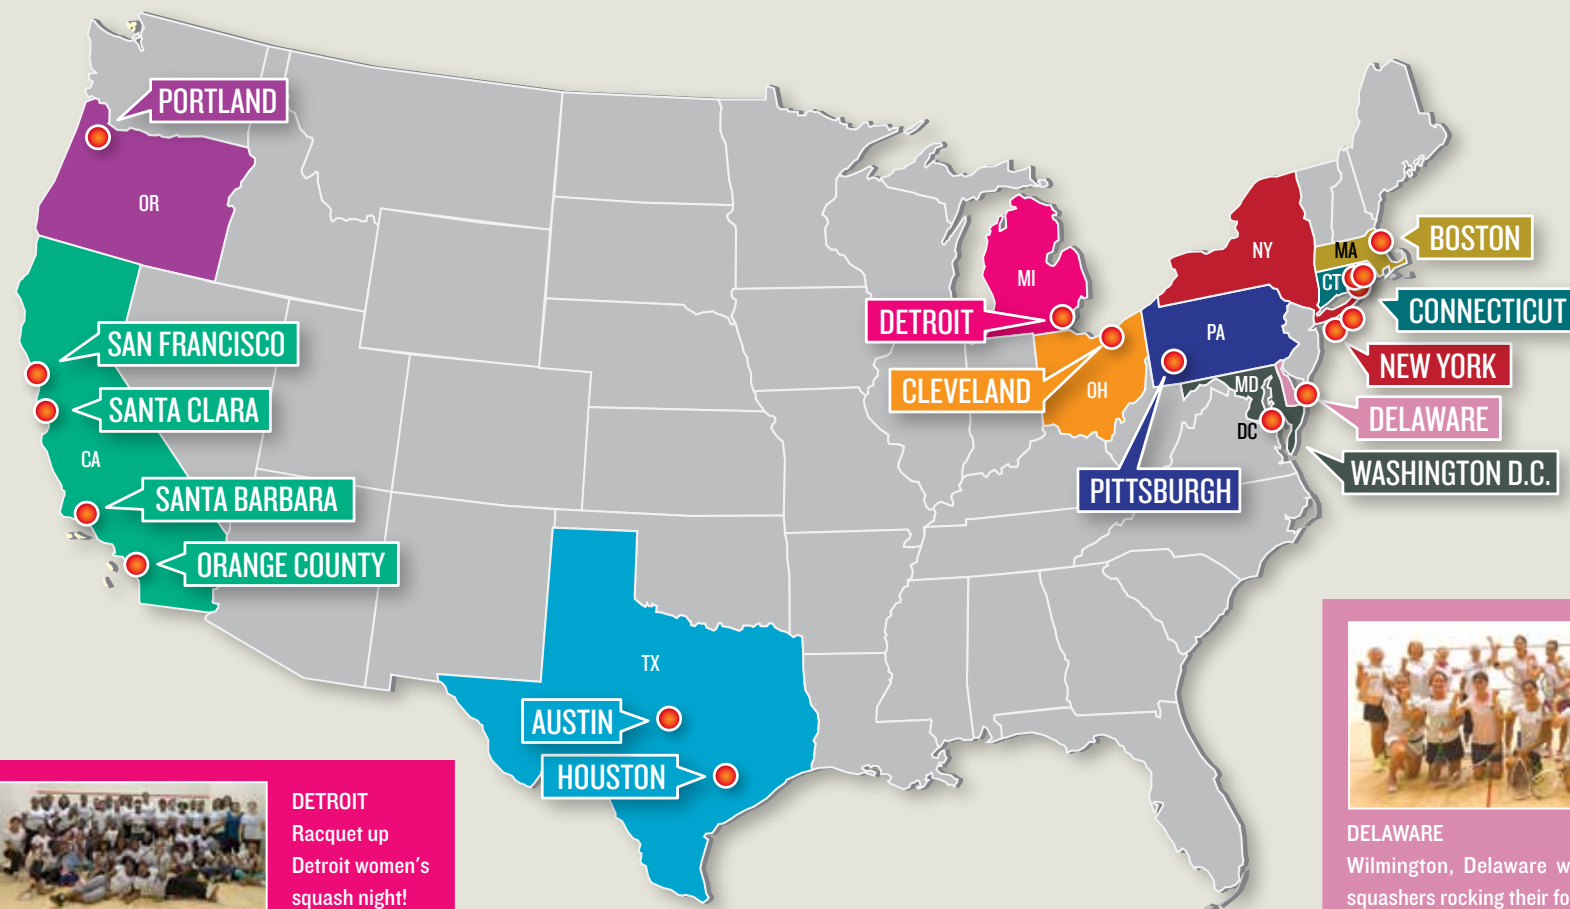

SANTA BARBARA
Fantastic night at SWELL Santa Barbara celebrating Women's Squash Week with Orla O'Doherty!

SAN FRANCISCO
To celebrate women's squash week, PSA Pro player Nicolas Mueller (Switzerland) came out to play the Bay Area's women on the NetSuite Open Squash Pro Tour glass court at Justin Herman Plaza. We'd like to think we taught him a thing or two! But he definitely won the pro player fashion award by donning a women's squash T-shirt for the group photos.

ORANGE COUNTY
The sun always shines in Southern California so it's hard to bring people indoors but last week, to celebrate Women's Squash Week 2015, 20 enthusiastic ladies took off their sunglasses and came in to play squash. The majority of these lovely ladies were completely new to the game and in a state where "squash" is usually on a menu, were a little wary of what to expect.

DETROIT
Racquet up Detroit women's squash night!

AUSTIN
Thanks everyone for coming out and supporting Women's Squash Week 2015! Some of you haven't played in years, some of you just started playing a few months ago, and there were even a couple girls who stepped on the court for the first time.

HOUSTON

BOSTON HOSTS LARGEST HOWE CUP

A record fifty teams and two hundred and fifty women contested the 2015 U.S. Women's Team Championships (Howe Cup) at Harvard University November 6-8. The Howe Cup is the United States' largest squash event for women, and brings players of all ages and skill levels from across the country together for a fun, inclusive weekend of squash. The 'Philly Annihilators' did just that to the opposition to win the top honors in the A division.

DELAWARE
Wilmington, Delaware women squashers rocking their for!

CLEVELAND
WSW comes to Cleveland thanks to Joe Russell!

PA- The first of our two WSW events in Pittsburgh- thanks Coach Shields and the Pittsburgh Golf Club for hosting! We even had some Steel City Squash kids on court for the first time!

BOSTON
Over 60 lunging ladies congregated in Boston to celebrate Women's Squash Week – what a blast!! We suspect we included some of the youngest budding players (too young for racquets, working on analyzing their A-level moms' games between diaper changes). On court instruction for novice players, queen of the court games for improving players, and plenty of action on all 14 courts.

CONNECTICUT — NEW CANAAN — ST LUKES
Lucia Mathias put on a fantastic 3 a side team tournament for at St. Luke's in New Canaan

CONNECTICUT — SACRED HEART GREENWICH
I had just enough time to get them all together for pictures, before they rushed on the courts to start playing. The plan was to have some girls do games on

4 courts while others would be doing queen of the court on the 2 others, and they would rotate every 5 minutes, so they would always be playing.

CONNECTICUT — WESTCHESTER
Women's Squash Week clinic. Great job and lots of fun. Best way to end my day at Life Time Athletic Westchester

NEW YORK - STREETSQUASH
NY Squash ran a wonderful event at StreetSquash where women from various clubs around the city came to the building for squash and joined 10 of our own StreetSquash ladies on court

NEW YORK — CITYVIEW
It was great to have a strong turnout of both beginners and experienced players come along to our women's round robin and party and celebrate Women's Squash Week!

WASHINGTON DC
National Capital Squash celebrated Women's Squash Week 2015 with a social round robin meet and greet at Results the Gym in SE Washington DC.
